

PREMIUM**FLOOR**®

**NEW**

## PREMIUM Allround poultry slat

PREMIUMFLOOR has extended their range of products by a universal poultry slat for ducks, geese, doves and hens. The new plastic panel is 600 mm wide and 800 mm long. It distinguishes itself by a slip-proof and clean surface, ultimate stability and a very good support of the animals' feet. Panels can be removed individually. Cuttable every 10 cm for waste-free installation. High load capacity and long useful life.

- ◆ Panel weight 3.2 kg
- ◆ Openings in the panel 65 mm x 10 mm
- ◆ Slit share of 40%
- ◆ Panel dimensions: 600 mm wide x 800 mm long
- ◆ Panels can be easily installed on any 5 mm thick support beams
- ◆ High-quality polypropylene copolymer
- ◆ Made in Germany
